

CAREERS IN MASS SPECTROMETRY

FREE WORKSHOP

To illustrate the wide variety of career options, and debate the future requirements for the “expert” user, mass spectrometrists from diverse backgrounds will provide short presentations describing their career paths.

Experts from the mass spectrometry recruitment sector will also be present to discuss the many options for mass spectrometry careers, the current market demand for mass spectrometry skills and more broadly analytical sciences.

IMSC Workshop

Wednesday August 24th
17:45 – 19:00 pm

Location

Room 201
Metro Toronto
Convention Centre

Presenters

Prof. Lars Konermann
University of Western Ontario

Dr. Mike Easterling
